

Welcome to the July / August issue of Projects Update from **Abacus Project Services**, which provides a summary of a selection of our recent appointments and completed schemes.

At Abacus Project Services we offer project management, quantity surveying, construction management and planning supervision services for a wide range of interiors designers, architects and end-user clients.

Charbonnel et Walker

CADA Design Group appointed Abacus to provide quantity surveying services for the fit-out of this luxury English chocolatier's brand new store in Cabot Square at Canary Wharf.

World Duty Free

Working closely with 141 Worldwide, Fitch, World Duty Free and BAA, Abacus successfully Project Managed the final stages of work at the new highly innovative World Duty Free tobacco area at London's Heathrow Terminal 2 main shop, which opened in April.

Penhaligon's

Abacus implemented the refurbishment of Penhaligon's shop in Brook Street to incorporate the design scheme created by Nick Sheridan, the company's visual merchandising director.

Abacus is currently working on a new store for Penhaligon's, which will open on Regent Street.
